

WHAT IS Project P'INK2020

WHAT ARE 'PAPA' SESSIONS?

Papa sessions are full day immersive workshops that consists of hana no'eau and processing.

A MODERN DAY HALE PE'A

Now, more than ever, wahine need a place to process the daily injustices they face in society, and sometimes within their own families.

Having a modern day hale pe'a allows wahine to congregate and develop the strength that already exists within themselves. Building resilient wahine sets the foundation for healthier families and communities, by providing them the tools and bridges to mālama each other.
